

Andrea Martin Volunteer of the Year Award

Inaugurated in 1999, this award is presented to the POPAI volunteer whose significant contribution and dedication in a particular area has helped the association to grow and progress. The Volunteer of the Year gets involved by working on many committees and volunteering their time and ideas to finding solutions in POPAI.

This award is named for Andrea Martin President, Point of Savings, Andrea Martin & Associates, formerly of E&J Gallo Winery. No other volunteer has been more dedicated or given more of their time to POPAI than Ms. Martin.

The award is given out during the Night of Honors at the Industry Leadership Conference.
